409/Gen

SIR,

Subject : Providing electricity to Kumara Park.

I have the honour to state that the electric fittings to the two Lahore sheds recently taken over from the Military in the Kumara Park premises are not working properly owing to some defects. The defects have to be rectified and besides some additional lights have to be installed. The Executive Engineer has sent an estimate for Rs. 1,812/- and it has been duly scrutinised by the Superintendent, Bangalore Power & Lighting (copy of the letter from the Superintendent, Bangalore Power Lighting's letter is enclosed).

2. I have countersigned the estimate in anticipation of sanction of Government as the work has to be got done immediately as the sheds are situated in a lonely place and it is necessary to take steps for proper lighting for security reasons and as protection against fire watch and ward arrangements might not be possible otherwise.

3. I request you to kindly obtain the sanction of Government for the estimate and approval of the action taken by me in this behalf.

I have the honour to be, Sir,
Your most obedient servant,

FOR DIRECTOR OF FOOD SUPPLIES.
